

Loyola University New Orleans
Master of Science in Nursing
BLEND/Health Care Systems Management
INDIVIDUAL PLAN OF STUDIES 2015/16

Name _____ SID # _____ Program Start _____

BLEND Program			
<i>***BLEND: The BLEND option provides the RN who holds a non-nursing bachelor's degree from an accredited college/university the opportunity to become eligible to enroll in the MSN Health Care Systems Management (HCSM) program. To be admitted to the MSN program, the RN must complete Loyola's BLEND option, which is comprised of the two 3 credit courses below that serve as prerequisites to 700-level (graduate) nursing courses. These courses are an integration of content from BSN courses deemed essential for the student to progress to the MSN program.</i>			
Course #	Course Name	Semester/ Year Completed	Grade Earned
