Elective _____	3			MUEN M _____	1			Every candidate for a music degree must display a minimum proficiency in piano. An examination to determine such proficiency is ordinarily given at the end of the sophomore year. Students not meeting requirements by this time must continue to study piano until the required standards are met. All students must stand jury examinations each semester that they are enrolled in applied study except for the terms in which they are subject to recital juries. All B.M., B.M.E., B.M.T., and B.A. students are required to pass a music reading proficiency examination which consists of singing at sight samples of music in compound and simple meters and modulations to closely related keys. Ordinarily this examination is an integral part of the second-semester sophomore theory course.
